

Wilton Fire Department

Safety Bulletin

This bulletin is in regards to **Snodgrass Slough Bridge, located on Twin Cities Road west of I-5**

The Snodgrass Slough Bridge on Twin Cities Road west of I-5 is open but has a weight limitation. Staff vehicles and medic units may still utilize this route while responding into Walnut Grove, but all other fire vehicles are restricted from its use and must detour around Twin Cities Road. The bulletin states no heavy truck traffic on the bridge at this time. This bulletin is coming out in the event we are dispatched to Walnut Grove.

Thank You!!

Rob Henkens, Safety Officer
718-1576
